DIRGE WITHOUT MUSIC

I am not resigned to the shutting away of loving
 hearts in the hard ground.
So it is, and so it will be, for so it has been, time
 out of mind:
Into the darkness they go, the wise and the lovely.
 Crowned
With lilies and with laurel they go; but I am not
 resigned.

Lovers and thinkers, into the earth with you.
Be one with the dull, the indiscriminate dust.
A fragment of what you felt, of what you knew,
A formula, a phrase remains, — but the best is lost.

The answers quick and keen, the honest look, the
 laughter, the love, —
They are gone. They are gone to feed the roses.
 Elegant and curled
Is the blossom. Fragrant is the blossom. I know.
 But I do not approve.
More precious was the light in your eyes than all
 the roses of the world.

Down, down, down into the darkness of the grave
Gently they go, the beautiful, the tender, the kind;
Quietly they go, the intelligent, the witty, the brave.
I know. But I do not approve. And I am not
 resigned.

THE OATH OF MAIMONIDES

Thy eternal providence has appointed me to watch over the life and health of Thy creatures. May the love for my art actuate me at all times; may neither avarice nor miserliness, nor thirst for glory, or a great reputation engage my mind; for the enemies of truth and philanthropy could easily deceive me and make me forgetful of my lofty aim of doing good to Thy children.

May I never see in the patient anything but a fellow creature in pain.

Grant me strength, time and opportunity always to correct what I have acquired, always to extend its domain; for knowledge is immense and the spirit of man can extend indefinitely to enrich itself daily with new requirements.

Today he can discover his errors of yesterday and tomorrow he can obtain a new light on what he thinks himself sure of today. Oh God, Thou has appointed me to watch over the life and death of Thy creatures; here I am ready for my vocation and now I turn unto my calling.

IATRIAN 1972

The Medical College of Pennsylvania
3300 Henry Avenue
Philadelphia, Pa. 19129

Dear MCP Family,

This is the yearbook that wasn't until a handful of students joined together to create the *Iatrian 1972*. Our thanks go to the following: Kathy McHale and Dave Roberts, who organized the Pre-Clinical section; Grace Baldwin, who assisted me with the Clinical candida and the introductory pages; Eva Balash, who scheduled the Senior portraits; and to Linda Lee Shaw, business manager.

Special thanks to Steven Greenlick of Josten's American Yearbook and Harry Yudelson of Delson's Studio for their professional aid with the book. For their financial and moral support, we thank our Patrons.

Iatrian represents four years of work, friendship, learning, companionship and the pursuit of the art of healing. The Medical College of Pa. has given much of value to us but we hope what we have left behind is of equal value. The improvements we have added impetus to, the memory of our growth from freshmen to physicians and our affection toward the MCP family — a family in which we have made our place and of which we are now a part.

We may leave, but our thoughts will never be far from The Medical College of Pa.

Sincerely yours,

Jane Ellen Reynolds
